Learn World Calligraphy has something for everyone. Whether you want scholarly insight, artistic inspiration, classroom projects, or a theme for your next party, this comprehensive, unparalleled full-color book will guide you on a virtual trip around the globe. Covering nearly all of the world’s writing systems—from African to Arabic, Chinese to Greek, Hebrew to Russian, and beyond—Learn World Calligraphy offers a unique glimpse of scripts worldwide and the calligraphers who write them. Lushly illustrated with gorgeous examples of both historical and modern calligraphic designs, this book is filled with practical instruction for how key aspects of different exotic script and the English alphabet, applied to the calligraphic hybrid with a distinctly foreign flair. Like a new cuisine that you can’t wait to cook at home, the scripts you meet in this book are sure to infuse your own calligraphy with the flavor of abroad.

Bon voyage! In a world saturated by computer-generated fonts, more and more artists and crafters are turning to the organic art of hand lettering. The Art of Calligraphy & Lettering offers a broad scope of instruction, starting with basic calligraphic alphabets and moving to unique modern characters. Creative step-by-step demonstrations introduce readers to illumination and word painting while inspirational projects teach beginners how to incorporate their new skills into a variety of crafts. From adding decorative flourishes to greeting cards, this book covers it all!

The perfect companion for pointed pen and digital calligraphers alike, with more than 2,700 letterforms and ligatures, stroke drills, warm-up exercises, flourishes, and simple words and phrases. This beautiful, in-depth guide to modern calligraphy emphasizes experimentation and fun, rather than rigid uniformity. With targeted exercises and lessons aimed at pushing you out of your calligraphy comfort zone, Mastering Modern Calligraphy will not only help you master tricks of the trade, but develop your very own modern calligraphy style. No matter what your experience level, you will find inspiration in this book as you meet the amazing Madeline S. Don Miller, a calligrapher who has fallen in love and discovers in the poems of John Donne, which he has been transcribing, the meaning of love and life.

Masters of penmanship in the past advertised their copperplate skills by shaping their calligraphy and flourishes into elaborate pictorial designs. Now the art of the flourish is back. Calligraphic Drawing, written and illustrated by Schin Loong, is a hands-on guide to modern penmanship art, ranging from animals to people, to fantasy subjects and works that combine pictures with writing. The text and how-tos move from the simplest to the most challenging designs, with steps to take you through them and examples to inspire you.

A detailed discussion of the dynamics of moving the tool is followed by an alphabet of strokes used to build and analyze flourishes. Also covers design principles, technique in different situations, and Italic and Gothic boundaries created using a pointed pen.
